++ Valid for broadcast between 1800 and 0600

Headline:
Dry with somewhat clearing skies in the north.

This Evening and Tonight:
Largely dry overnight, but some drizzle over high ground and coasts. Rather cloudy in the south but clear intervals further north where it will turn a little chillier with a risk of fog patches. Minimum temperature 3 deg C (37 deg F).

Wednesday:
A brighter day for northeastern areas as sunny intervals develop. However, staying rather cloudy in the south, where the odd spot of drizzle may also occur. Rather mild for all. Maximum temperature 12 deg C (54 deg F).

Outlook for Thursday to Saturday:
Largely settled through the week, but on the cloudy side with limited bright spells in the afternoon. A risk of morning fog under cloud breaks. Feeling slightly cooler by Friday.
